Philosophy

Physiotherapy Education while catering to the ever demanding need of technically qualified personnel at national and international levels, will boost the career prospects of our students and will empower them with self – reliance, economic freedom and social commitment. Recognizing the shortage of adequately qualified and trained Physiotherapists and the overwhelming demand for them within the Country and abroad, Bahuleyan Charitable Foundation has decided to serve as a premier organization providing Physiotherapy Education by establishing BCF College of Physiotherapy in this remote, rural area. This endeavour is in keeping with the concept of its Founder, Dr. Kumar Bahuleyan, whose dream is to create a hub of quality Allied & Health Care education in this hamlet of Vaikom Taluk which is also his native place.

Mission

Our commitment is to provide excellence in Physiotherapy education, to prepare Physiotherapist who have a strong foundation in the basic and clinical sciences, and who demonstrate excellence in patient/client management, critical thinking and professionalism.

Vision

Excellence and innovation in education, clinical practice and research in Physical therapy, through strong academic, health care and community partnerships.

ObjectivesThe main objective of offering the basic B P T degree programme of 4 ½ years' duration by this College is to produce graduates having specialized knowledge in human Anatomy, Physiology and Clinical Sciences which will enable them to provide comprehensive

Physiotherapy care to all age groups, in all situations, both in the hospital and in the community. By offering a well planned and well supervised clinical training programme, the students will be enabled and empowered to utilize the latest technological innovations to provide quality healthcare as well as to conduct result – oriented studies in various settings and utilize the research findings to improve the quality of Physical therapy. The course will also enable them to communicate effectively with individuals and groups, and any member of health care team in order to promote effective interpersonal relationship and collaborative work.

V. Allotment of Different Categories and Preparing of Rank list

5.1 Allotment Categories

(a) 35% of seats will be filled by management from among the applications received by the SPCMA on the basis of merit list prepared based on the marks obtained in the qualifying examination in the core subjects as mentioned in the eligibility criteria.

(b) 15% of seats will be filled from among the applications received from NRI students fulfilling the eligibility criteria on the basis of merit list prepared based on the marks obtained in the qualifying examination in the core subjects as mentioned in the eligibility criteria as also fulfilling the eligibility norms of NRI quota notified by the State Govt.

5.2 Preparation of Rank list

(a) Rank List : For allotment to BPT : Rank List will be prepared on the basis of marks obtained by candidates for Physics, Chemistry, Biology put together at the final year of the qualifying examination.

: For allotment to MPT: Rank List will be prepared on the basis of the aggregate marks of BPT examination marks

(b) Procedure for normalization: The marks scored by the candidates in each subject in the Qualifying Examination conducted by various Boards will be made comparable with the marks obtained by the students in the same subjects in the qualifying examination conducted by the Directorate of Higher Secondary Examination, Kerala.

Let 'X' be the maximum mark secured out of 100 for a subject in the state Higher Secondary Board and 'Y' the maximum mark secured out of 100 for the same subject in any other stream AISSCE/ISC/VHSE.

If 'T' is the mark secured out of 100 for the subject by a student of the other board (CBSE/ICSE/VHSE) in the year, then his/her normalized mark of the subject, say 'Z' equals $(T \cdot X) / Y$ (the value to be corrected to four decimal places.)

Illustration

Subject: Chemistry Year: 2024

Max. Mark out of 100 secured in the State Board =

100 Max. Mark out of 100 secured in the ISC = 99

The normalized mark of an ISC student who secured 85 out of 100 in Chemistry will be equal to $(85 \cdot 100) / 99 = 85.8586$.

In the case of students whose qualifying examination is Higher Secondary Examination conducted by the Directorate of Higher Secondary Education, Kerala, the actual marks obtained will be considered for ranking.

VI. Selection of Allotment Process

6.1 The open merit and NRI rank lists of all applicants will be prepared and published on the website, www.bcfcollegeofphysiotherapy.com on the basis of the total percentage of marks obtained in the core subjects of the qualifying examination. The open merit rank list for MPT admission will be prepared on the basis of the total percentage of marks obtained in the BPT University Examination by the applicant. The open merit rank list for BPT will be prepared on the basis of the percentage of marks obtained in Physics, Chemistry and Biology or equivalent subjects in the qualifying examination.

The marks obtained for the qualifying exam will be subject to normalization process as explained below.

This process will be done taking into consideration the marks of those candidates who apply pursuant to this prospectus only.

The marks obtained by the students in the relevant subjects in the qualifying examination conducted by various boards or authority shall be equated with the marks obtained by the students in the same subjects in the qualifying Examination conducted by the Director of HSE, Kerala, by adopting the method of normalization.
